

Planning Board

Scoping Meeting with NH DOT and SNHPC

Complete Streets Application

Wednesday August 17, 2016 at 3:00 PM

Fracestown Town Offices Meeting Space, Fracestown, NH

Introduction: SNHPC's Complete Streets Pilot Program Subcommittee approved the Planning Board's application for assistance with a complete streets approach in Fracestown Center.

This project will encourage and promote Fracestown Center as a safe bicycling and waking opportunity for its residents and visitors. It builds on previous efforts regarding Village Center and traffic calming.

3:00 PM – Review the application Site Issues

- Introduction of stakeholders
- Presentation on project details incl. goals, challenges, intended outcomes, site concerns and limitations. (all participants)
- Identify town resources, assets, and brainstorm opportunities
- Review of potential design ideas (delineation styles, possible traffic calming measures, etc)

3:40 PM – Roundtable discussion with Town Representatives, NH DOT and SNHPC staff

- Agree on design, materials, responsibilities, define temporary ,
- Define limitations and expectations including tasks, volunteers, town involvement
- Check in with NHDOT representatives
- Public Hearing, Sign off from Town Officials on project
- Clarify implementation schedule and outline tasks
- Identify project champions to track use/ behavior changes
- Schedule presentation to Board of Selectmen on results

4:10 PM – Field visit

4:40 PM – Conclusion and next steps
